Width:

7.000 inches

Thickness:

0.032 inches

Length:

9.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

4mb-1 wiring diagram 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11, alloy 6061, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
