Width:

1.375 inches

Thickness:

0.032 inches

Length:

4.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend-caution this unit wired for 460 volt, 60 cycle, ac, 3 phase power. For use with 230 volt, 60cy. Ac, 3 phase power see instr 2nd side

Color:

White 2nd side border

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11, alloy 6061, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
