Width:

0.500 inches

Thickness:

0.030 inches

Length:

2.312 inches

Attachment Method:

Hole

Environmental Protection:

Abrasion resistant and acid resistant and hydrocarbon fuel

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Dehydrator bleed 1st side

Color:

Black, lusterless inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
