Width:

13.120 inches

Thickness:

0.030 inches

Length:

4.250 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Inscription:

1st inscription: semitrailer, van, electronic, 6t, 2 whl; 2nd inscription: m373a2d fsn 2330-738-5869 1st side

Features Provided:

Observation facility

Color:

Black inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
