Width:

0.9375 inches

Thickness:

0.025 inches

Length:

1.8125 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Sight unit, m64 serial no --- 19200-11741726 --- u s --- 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
