Width:

1.750 inches

Thickness:

0.020 inches

Length:

2.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Torendraai-inrichting fabr nr--- nsn--- serie nr--- samenst datum--- werk druk 127.5 bar. Bedr spann 24 vdc

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/4, alloy 2024, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
