Width:

1.790 inches

Thickness:

0.050 inches

Length:

2.625 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Actuator-throttle trim link p/n 1564t100-5 s/n --- inspect --- date --- voltage 17-29 vdc the talley corporation newbury park calif 1st side

Material:

Aluminum

Material Specification:

Qq-a-250/13d, 7075-t6 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
