Width:

2.000 inches

Thickness:

0.030 inches

Length:

4.000 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Breech adapter stray voltage test set design act 19397 pn 136663-0001 ser no --- tracor, inc 1st side

Features Provided:

Solvent activated adhesive tape

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11, alloy 6061, 0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
