Width:

12.000 inches

Thickness:

0.032 inches

Length:

4.250 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Inscription:

1st inscription: chassis, trailer, 1 1/2 ton, 2 wheel m103-a3; 2nd inscription: national stock no. 2330-00-141-8052 1st side

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
