Width:

0.780 inches

Thickness:

0.020 inches

Length:

8.040 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend maximum speed knots landing gear operation 260 extended 296 wing flaps t.O. Extension 450 or mach 0.85 330 above 30000 ft. Extend 1st side

Color:

Red, dark inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-359, temper h14-cancelled federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
