Width:

3.000 inches

Thickness:

0.030 inches

Length:

4.000 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Container, mk 608 m0d 0, pn 2645308, serial---, naval sea systems command 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, h32 federal specification single material response

Specification Or Standard:

A type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
