Width:

0.750 inches

Thickness:

0.031 inches

Length:

3.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

1 through 10 1st side

Color:

Green inscription background

Material:

Plastic epoxy

Material Specification:

Mil-p-18177, type gee military specification single material response

Surface Treatment:

Varnish

Surface Treatment Specification:

Mil-v-173 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-p-18177 spec.
