Width:

0.530 inches

Thickness:

0.004 inches

Length:

4.000 inches

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Caution check voltage source 644-bd 115v: 644-1-bd 200v 1st side

Color:

White, federal standard 595, 37875 inscription

Material:

Plastic

Material Specification:

Lac 24-751, type 9, lockheed california co mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
