Width:

1.500 inches

Thickness:

0.063 inches

Length:

2.380 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Inscription:

Off on pump pressure single side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
