Width:

2.250 inches

Thickness:

0.020 inches

Length:

2.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legendaanwijzingen vullen de olie-reservoir 1. Laat oliedruk van accumulator af. 2. Vul het reservoir met olie c-635 tot midden peilglas. 3. Volu 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/4, alloy 2024, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
