Width:

13.125 inches

Thickness:

0.030 inches

Length:

4.250 inches

Attachment Method:

Hole

End Application:

2330-00-141-8233

Basic Shape Style:

Rectangular

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
