Width:

0.065 inches

Thickness:

0.020 inches

Length:

1.500 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Hydraulic control valve, 3000 p.S.I., fluid, p/n, serial, f.S.N., xar, code ident, no.50105, city of industry, ca.U.S. 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, 0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
