Width:

1.562 inches

Thickness:

0.031 inches

Length:

3.750 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

1st inscription: lubrication; 2nd inscription: pedestal; 3rd inscription: gear case-every 6 months or 1000 hours of use drain and refill to full mark on oil stick with mil-l-2105b grade 80 oil 1st side

Special Features:

Legend words "gear case" are underlined with a solid line

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, h32 federal specification single material response

Surface Treatment:

Anodize and lacquer

Surface Treatment Specification:

Mil-a-8625, type 2 military specification 1st treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-8625 spec.
