Width:

1.000 inches

Thickness:

0.100 inches

Length:

1.560 inches

End Application:

An/apn-218 and an/apn-230 radar sets

Basic Shape Style:

Rectangular w/rounded ends

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11, alloy 6061, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
