Width:

4.750 inches

Thickness:

0.032 inches

Length:

8.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend compressor, power driven, air 30 cfm, 200 p.S.I. Skid mounted, type mb-8 stock no.4310-01-066-1340 serial no.---mfg code

16004 co 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
