Width:

0.580 inches

Thickness:

0.003 inches

Length:

5.400 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Tube & align voltages 637r200g03 serial no.--- target--- g1--- g4--- align 1--- align 2--- 1st side

Features Provided:

Pressure sensitive adhesive tape and reflective surface

Color:

Aluminum, silver and blue inscription background

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
