**Width:**

1.350 inches

**Thickness:**

0.003 inches

**Length:**

2.150 inches

**Attachment Method:**

Adhesive

**Environmental Protection:**

Water resistant and hydrocarbon fuel and cleaning resistant

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Computer, flight director--- dsgn act 77751 pn160c145961 contr f 33657-76-c-0034 astronautics corporation of america mfr 10138 pn 125220  
date---sern 1st side

**Features Provided:**

Pressure sensitive adhesive tape

**Color:**

Black inscription background

**Material:**

Aluminum alloy

**Material Specification:**

Lloy 1145, h19 national specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
