Overall Length:

5.812 inches

Thickness:

0.010 inches

Body Length:

1.000 inches

Body Width:

2.000 inches

Inscription:

Part no.---, oper.Press.P.S.I.---, pres.Test date, base acct.Code---

Features Provided:

Legend

Material:

Aluminum alloy

Material Specification:

Alloy 5052 national specification single material response

Style Designator:

Wrap-around w/single lip

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A529t0
