Width:

1.250 inches

Thickness:

0.020 inches

Length:

2.125 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend regulator, oxygen, diluter demand, automatic pressure breathing type cru-44/a specification mil-r-25916 stock no.

1660-856-0273 order n 1st side

Color:

Black inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
