Width:

0.600 inches

Thickness:

0.075 inches

Length:

2.600 inches

Basic Shape Style:

Rectangular w/rounded ends

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11, alloy 6061, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
