Width:

4.312 inches

Thickness:

0.030 inches

Length:

6.250 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Inscription:

1st inscription: chassis m48a5 tank modified; 2nd inscription: veh. Serial no. 1st side

Color:

Black inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
