Width:

1.200 inches

Thickness:

0.020 inches

Length:

1.800 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend-nomenclature--- c11--- mfg code--- destination--- part n0--- natl stock no--- contract no--- serial no--- us ford 1st side

Special Features:

Use mil-i-43553 ink to apply plate part no. Per mil-std-130 to back of plate; alternate inscription color: black

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
