Width:

3.000 inches

Thickness:

0.032 inches

Length:

4.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

"partial legend"dms-d/supplemental unit test adapter, part no. ---, serial no. ---, nsn ---, volts 115, cycles 60/400, amps 2.5, u.S. Goverme 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
