Width:

1.250 inches

Thickness:

0.003 inches

Length:

3.000 inches

Attachment Method:

Adhesive

Environmental Protection:

Cleaning resistant and water resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

"partial legend"do not remove cover unless: 1.To obtain spare lamps 2.To change circuitry cards 3.To disconnect simulator from mlc to disconn 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

White, federal standard 595, 37875 inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
