Width:

2.280 inches

Thickness:

0.005 inches

Length:

2.800 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Features Provided:

Solvent activated adhesive tape

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
