Width:

5.680 inches

Thickness:

0.020 inches

Length:

4.500 inches

Attachment Method:

Hole

Environmental Protection:

Water resistant and weather resistant

Basic Shape Style:

Rectangular w/notched corners

Marking Designation:

Legend

Inscription:

1st inscription: combat vehicle, anti tank ; 2nd inscription: improved tow vehicle 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
