Width:

7.000 inches

Thickness:

0.020 inches

Length:

13.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Inscription:

Vehicle operation 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
