Width:

2.440 inches

Thickness:

0.003 inches

Length:

7.040 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend main dc bus no.2 bus bus feeder aeromed avionics test isol nav volt test off warn no.1 no.2 avionics bus equip fwd recp misc
1st side

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
