Width:

1.750 inches

Thickness:

0.032 inches

Length:

2.880 inches

Attachment Method:

Hole

End Application:

M543, m543a1, m543a2, m816, m936, m936a1, m936a2

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Winch cable tension off on

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
