**Width:**

0.690 inches

**Thickness:**

0.030 inches

**Length:**

2.190 inches

**Attachment Method:**

Hole

**Basic Shape Style:**

Rectangular

**Inscription:**

Rammer ram & ret single side

**Special Features:**

Material is photosensitive aluminum

**Material:**

Aluminum

**Surface Treatment:**

Anodize

**Surface Treatment Specification:**

Gg-p-455, type 3, compsn a, class 2 federal specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
