Width:

3.010 inches

Thickness:

0.003 inches

Length:

4.010 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Inscription:

Test set, chemical agent automaticalarm, m140, nsn, serial no., part no., contr no. Single side

Features Provided:

Pressure sensitive adhesive tape

Color:

Aluminum inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
