Width:

1.000 inches

Thickness:

0.003 inches

Length:

1.750 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Danger 115 volts ac k0656-901893 1st side

Features Provided:

Pressure sensitive adhesive tape and removeable protective backing

Color:

Red, federal standard 595, 21105 and black, federal standard 595, 37038 1st side inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11, alloy 6061 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
