Width:

0.750 inches

Thickness:

0.030 inches

Length:

4.620 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Color:

White, federal standard 595, 27875 inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
