Width:

1.910 inches

Thickness:

0.030 inches

Length:

4.250 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legendmount, combination gun, m150 ord corps us army no. --- --- --- --- publications pertaining to mount parts list snl --- technica 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Mil-p-514, comp b military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-p-514 spec.
