Width:

4.600 inches

Thickness:

0.020 inches

Length:

5.850 inches

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Features Provided:

Reflective surface

Color:

White, federal standard 595, 37875 inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
