Width:

5.375 inches

Thickness:

0.032 inches

Length:

7.060 inches

Attachment Method:

Hole

End Application:

1450-01-121-2122

Basic Shape Style:

Rectangular

Inscription:

Carrier, guided missile equipment, m730a1 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
