Width:
13.060 inches

Thickness:
0.032 inches

Length:
4.220 inches

Attachment Method:
Hole

Basic Shape Style:
Rectangular

Inscription:
1st inscription: semitrailer van: test station; 2nd inscription: 10 ton, 4w, xm995, nsn 2330-01-093-8323 1st side

Color:
Black inscription background

Material:
Aluminum alloy

Material Specification:
Qq-a-250 federal specification single material response

Shelf Life:
N/a

Unit Of Measure:
--

Demilitarization:
No

Fig:
A528w0
