Width:

3.000 inches

Thickness:

0.020 inches

Length:

4.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Features Provided:

Observation facility

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Alloy 1100 national specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
