Width:

1.160 inches

Thickness:

0.020 inches

Length:

4.250 inches

Attachment Method:

Hole

End Application:

USEO-NG-ENE-RATO

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Us; power unit; pu-625/g; kw 3; hertz60; nsn 6115-00-873-3915 1st side

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
