Width:

2.880 inches

Thickness:

0.008 inches

Length:

6.250 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

"partial legend"decontaminating apparatus, portable, ds2, 11/2 qt, abc-m11 contains flammable liquid to operate: 1. Pull ring pin. 2. Lift handle 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Olive drab, federal standard 595, 34087 inscription background

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
