**Width:**

2.000 inches

**Thickness:**

0.032 inches

**Length:**

3.000 inches

**Attachment Method:**

Hole

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

T-1256 pn 1267690-1 dsgn by 70143 mfr by 70143 contr: --- navsea 1st side

**Color:**

Black inscription

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/1, alloy 1100, 0 federal specification single material response

**Reference Number Differentiating Characteristics:**

As differentiated by inscription

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**
