Width:

2.000 inches

Thickness:

0.032 inches

Length:

3.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Sa-1953 pn 1267710-1 dsgn by 70143 mfr by 70143 contr; --- navsea 1st side

Color:

Black inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, 0 federal specification single material response

Reference Number Differentiating Characteristics:

As differentiated by inscription

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
