Width:

0.980 inches

Thickness:

0.003 inches

Length:

1.750 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Caution see sam-70 for disassembly instructions 1st side

Features Provided:

Solvent activated adhesive tape

Special Features:

Corners are rounded .12 inch

Color:

Yellow inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
