Width:

2.700 inches

Thickness:

0.020 inches

Length:

6.810 inches

End Application:

M936

Basic Shape Style:

Rectangular

Color:

Green inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
