Width:

1.750 inches

Thickness:

0.003 inches

Length:

2.750 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Warning output neutral must remain isolated from safety ground 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Red inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
